# Dear Parents,

The staff of FBC Enterprise is excited to welcome your children back for church and Sunday School! We have missed their smiling faces and the opportunities to share Jesus with your little ones.

As you know, there is a new “normal” for most things as we continue to endure this season of life during the Coronavirus pandemic. It is our desire to provide a safe and healthy atmosphere for you and your children as we gather for worship. That being said, we understand that even the precautions we take cannot prevent exposure 100%. However, with due diligence and your help, we will provide as safe an area as we can.

## **To make this possible, we need your help.**

We are implementing some new standards as we resume meeting together. They are contained in this brochure. *Please read through them carefully, plan to follow them accordingly, and pray for us as we manage this new era of ministering to you and your children.*

If you have any questions or suggestions, please let us know. Thank you for your support.

Catherine Sims

## Some Things Will Be Different

### Drop-Off for Sunday School & Child Care:

- Only ONE parent should drop off and pick up child/ren from the classrooms.
- Parents should NOT enter the classrooms.
- Children ages 0 through 3rd grade MUST be picked up by a parent. Children will not be released to siblings or other children.
- Children in 4th and 5th grades must meet a parent immediately following Sunday School. Children are not allowed to roam the church building, play in hallways, or run around. Please talk with your children about a "meeting spot" for their safety and that of others.

### In the Classrooms:

- Teachers will wear masks in classrooms. Children are also welcome to wear masks.
- We will do our best to socially distance children in our elementary classes.
- All children will have their own supplies to avoid sharing with each other. We are also asking that all elementary children bring their own bibles.

### Diaper Bags & Personal Items:

- Please do NOT bring diaper bags, dolls, or toys to church for your child.
- Please bring diapers, wipes, labeled cups, change of clothes, and any food (babies only) your child might need in a ziplock bag with your child's name written on the front. Bags will be available at the Welcome Center if you forget.

## Some Things Will Be Different (Continued)

### Food & Drinks:

- Absolutely NO SNACKS will be given to children ages kindergarten through 5th grade.
- We will NOT be utilizing water fountains at this time. If your child needs water during the service or during Sunday School, please provide a labeled water bottle or cup for them to bring during this time.
- All children from babies through 4 years old should bring a labeled cup.
- The only personal food that will be allowed/given will be for infant classes. This should be brought by the parent and labeled if needed.

### Well-Child Policy

If your child or another person in your home has any of the following symptoms, **STAY HOME. DO NOT** bring your child to church.

- Temperature over 99.5 degrees currently or within the last 72 hours
- Vomiting or diarrhea currently or within the last 72 hours
- Runny nose or cough
- Unexplained rash
- Skin infections
- Eye infections
- Symptoms of childhood diseases such as chicken pox, mumps, measles, etc.
- Symptoms of or known exposure to Covid-19 within the previous 14 days
